Hi Mitch, Paul,

Attached is the letter we put in the mail today. Mum's the word. Amy signed the letter, as she'll be returning in full force on May 1, so as things progress, just keep her cc'd on emails as well. (After the 1st, I'll be gone, so it will be back to working with Amy.)

Best,  
er

Hi Erica,

Thanks for all of your work on this letter! Yes, please send us a copy of the signed pdf, as soon as you get a chance. We have a contact in Cuomo's office that will try to push it to him through other less bureaucratic channels. Regarding the blog idea: we think that for now it is more strategic to keep the letter to Cuomo silent. In fact, it is very important that it be kept under wraps. If Chevron gets wind of it, they will pressure / lobby to no end. Potentially, Amnesty could blog about it once Cuomo makes the decision.

Feel free to call me on my cell when you have a moment.

best,  
Mitch
